

Eva Tree

Sail Away

Eva (*Ay-vah*) **Tree** is a Canadian singer-songwriter who delivers hauntingly beautiful vocals. ***Sail Away*** has warm sing-along harmonies, and a "back-porch" sound with guitars, mandolins, dobro and accordion.

Sounds Like: Mindy Smith, Natalie Merchant and Australian crossover-country singer, Kasey Chambers

"It's beautiful! Soul-searching songs. What a gorgeous voice you have. You dug deep. Right on!!!"

—**Samantha Parton**
The Be Good Tanyas

"A highly recommended rootsy Americana album to treasure... I honestly have not been moved by an unknown artist like this since I first heard Mindy Smith 4 or 5 years ago.."

—**Alan Cackett, Editor**
